# Corporate Off-Site Meetings 2023

**Kress Pavilion: 7845 Church Street, Egg Harbor, WI**

# KRESS PAVILION

# About Us

---

Get offsite and get inspired at the Kress Pavilion!

Located in the heart of Door County, the Kress has space for 5-50 with seamless hybrid meeting capabilities. Surrounded by natural beauty, recreational opportunities, and lodging, Kress Pavilion offers modern amenities and Door County charm.

Allow us to help to coordinate an itinerary of inspiration with our partner yoga instructors, meditation instructors, and team building experts.

The 1800 square foot Great Hall features ample natural light, and high ceilings with bay and orchard views. The north wall of the room features a video wall with a stone fireplace on the south wall.

For presentations, the video wall is wired to a PC and Apple TV, with the ability to connect your laptop via HDMI. New in 2021, is a system that connects microphones directly into our systems to allow for seamless virtual and in-person hybrid meetings.

In addition to the Great Hall, the first floor of the Kress features rooms ideal for break-out sessions, including a [business center](#), [maker space](#), and [history center](#).

If you are not onsite, allow us to take all of the work out of your event by offering meeting essentials such as audio-visual coordination and banquet and catering services from one of our local artisans.
